**i-READY DIAGNOSTIC ASSESSMENTS: A reminder - What is *i-Ready*?**

*i-Ready* is an online program that will help us determine your child's needs and monitor progress that occurred throughout the school year. *i-Ready* allows us to meet your child exactly where he or she is and provides data for us to increase your child's learning gains.

The *i-Ready Diagnostic* is an adaptive assessment that adjusts its questions to suit your child's needs. Each item a student sees is individualized based on his or her answer to the previous question. For example, a series of correct answers will result in slightly harder questions, while a series of incorrect answers will yield slightly easier questions. The purpose of this is not to give your child a score or grade, but instead to determine how best to support your child's learning. **Your child will participate in three diagnostic, 45-min assessments (one literacy, one math), three times per year (fall, winter, and late spring) to illustrate growth.**

### What happens next?

The *i-Ready Diagnostic* will be administered and will provide results that help teachers identify what your child already knows and determine next steps for instruction. If you have any questions about *i-Ready*, please do not hesitate to contact your child's teacher or me. You can also learn more about *i-Ready* by visiting [i-ReadyCentral.com/FamilyCenter](http://i-ReadyCentral.com/FamilyCenter).

The second round of *i-Ready Diagnostic* dates at WMS are as follows:

Tuesday, February 5<sup>th</sup> – Literacy

Thursday, February 14<sup>th</sup> – Mathematics

\*\*\*Please remind your child(ren) to bring their headphones with them for the i-Ready testing\*\*\*

**ONE SCHOOL ONE BOOK SELECTION COMMITTEE:** The summer reading selection committee has begun to search for this summer's book! The committee will read six titles, and eventually narrow the list down to two finalists for the whole school to vote on. NEW THIS YEAR: parents are welcome to join the committee! To find the book list and meeting dates, visit [www.wms1s1b.org](http://www.wms1s1b.org).

**8<sup>TH</sup> GRADE DC / WATERTOWN WEEK TRIPS:** The trips are coming up from April 8<sup>th</sup>-12<sup>th</sup>! The information you need for the DC trip can be found in the Virtual Backpack. Please contact the organizers Abby Casey, Amy Magill and Phil Martin if you have any questions. We are thankful the government shutdown has ended! Students will be meeting with teachers on Friday 2/15 to receive some additional information.

**Raptor Visitor Management System:** This was installed at WMS in October to build on the district's program of safety for students and faculty. Part of keeping students and faculty safe is knowing who is in our building at all times and the Raptor system allows us to do that. The Raptor system allows us to track visitors, contractors and volunteers in our schools and provides us with a safer environment for our students and staff.

Upon entering a district building, visitors will be asked to present a valid state-issued ID, which will be scanned into the system. The Raptor system will scan the visitor's name, date of birth and photo for comparison with a national database of registered sex offenders, as well as locally established alerts (e.g. "no trespass" orders). Additional visitor data from the driver's license is not gathered nor is the system connected to any other system such as the Department of Motor Vehicles. Therefore any other information on the ID is not scanned by the system and is not accessible to any of the users. Once entry is approved, Raptor will issue a badge that identifies the visitor, the date, and the purpose of his/her visit.

**MINUTEMAN:** A reminder that there is an **application deadline of April 1, 2019**, for any 8<sup>th</sup> grade student applying to Minuteman.

**YEARBOOK:** The 2018-2019 WMS yearbooks are now on sale for \$25! Please use the following information to place your orders:  
[ybpay.lifetouch.com](http://ybpay.lifetouch.com) Yearbook ID Code: 7822619

The deadline to purchase is May 1st.

**MORNING DROP OFF:** As stated at the beginning of the year and in the handbook:

*If you are driving your child to school, **Please consider the safety of our children who are walking nearby. DROP STUDENTS OFF ON BEMIS ST. ONLY. Please do not block traffic, and pull your car clear of others before pulling away.** To avoid traffic tie-ups, consider dropping your child off a block away and letting him/her walk the rest of the way.*

**Please DO NOT drop off students before 8:30 at the Waverly Street door.** Several buses drop off students there, and it is unsafe to have cars in between the buses and vans. Please drop off your students at the Bemis Street entrance before 8:30am. Our number one priority is keeping the students safe, and so we ask you to please follow the drop off procedures so no accidents occur.

**FROM THE NURSE:** Due to district wide policy change, cough drops and throat lozenges are no longer supplied by the health office. Students are more than welcome to keep a bag in their locker or backpack if needed.

Best,

Donna Martin, Principal
