PENNIES FOR PATIENTS: Our annual Pennies for Patients fundraising drive is in full swing!

Some highlights:

The Rummage Sale and Skate Night were a success!

The Pennies for Patients Basketball Game is Thursday March 21nd at 6:00 in the WMS gym. The **Walk-a-Lap-a-Thon** is Tuesday, March 26th, 3:00pm here at school. These events bring the community together in support of a great cause. Additionally there are events available to students only, including the **Pennies for Patients Dance** on March 15th, 7:00pm.

And the main reason we do Pennies for Patients:

First, the **Resilience Gives** website – get some cool student-designed socks!

Second, the link and the instructions on how to make an **online fundraising page for the LLS**. Please see this attached letter and directions: [Steps to creating Individual online page.docx](#)

MIDDLE SCHOOL SPRING SPORTS INFORMATION: Please find information in this letter:

WATERTOWN YOUTH COALITION: The Watertown Youth Coalition will be hosting its Annual Town Hall Meeting on Wednesday March 20th, at the Watertown Public Library. The event will take place in the Watertown Savings Bank Room from 6:00 PM - 8:30 PM. The event will include presentations by the WHS Peer Leaders on a variety of topics that are important to the youth in Watertown. This is a community wide event, so all are welcome to attend. Food will also be served. If you plan to attend, please sign up at the [link](#). [IMG 5640.jpeg](#)

ONE SCHOOL ONE BOOK SELECTION COMMITTEE: The summer reading selection committee has begun to search for this summer's book! The committee will read six titles, and eventually narrow the list down to two finalists for the whole school to vote on. NEW THIS YEAR: parents are welcome to join the committee! To find the book list and meeting dates, visit www.wms1s1b.org.

8TH GRADE DC / WATERTOWN WEEK TRIPS: The trips are coming up from April 8th-12th! The information you need for the DC trip can be found in the Virtual Backpack. Please contact the organizers Abby Casey, Amy Magill and Phil Martin if you have any questions. We are thankful the government shutdown has ended! Raptor Visitor Management System: This was installed at WMS in October to build on the district's program of safety for students and faculty. Part of keeping students and faculty safe is knowing who is in our building at all times and the Raptor system allows us to do that. The Raptor system allows us to track visitors, contractors and volunteers in our schools and provides us with a safer environment for our students and staff.

Upon entering a district building, visitors will be asked to present a valid state-issued ID, which will be scanned into the system. The Raptor system will scan the visitor's name, date of birth and photo for comparison with a national database of registered sex offenders, as well as locally established alerts (e.g. "no trespass" orders). Additional visitor data from the driver's license is not gathered nor is the system connected to any other system such as the Department of Motor Vehicles. Therefore any other information on the ID is not scanned by the system and is not accessible to any of the users. Once entry is approved, Raptor will issue a badge that identifies the visitor, the date, and the purpose of his/her visit.

MINUTEMAN: A reminder that there is an **application deadline of April 1, 2019**, for any 8th grade student applying to Minuteman.

YEARBOOK: The 2018-2019 WMS yearbooks are now on sale for \$25! Please use the following information to place your orders:
ybpay.lifetouch.com Yearbook ID Code: 7822619

The deadline to purchase is May 1st.

MORNING DROP OFF: As stated at the beginning of the year and in the handbook:

*If you are driving your child to school, **Please consider the safety of our children who are walking nearby. DROP STUDENTS OFF ON BEMIS ST. ONLY. Please do not block traffic, and pull your car clear of others before pulling away.** To avoid traffic tie-ups, consider dropping your child off a block away and letting him/her walk the rest of the way.*

Please DO NOT drop off students before 8:30 at the Waverly Street door. Several buses drop off students there, and it is unsafe to have cars in between the buses and vans. Please drop off your students at the Bemis Street entrance before 8:30am. Our number one priority is keeping the students safe, and so we ask you to please follow the drop off procedures so no accidents occur.

FROM THE NURSE: Due to district wide policy change, cough drops and throat lozenges are no longer supplied by the health office. Students are more than welcome to keep a bag in their locker or backpack if needed.

Best,

Donna Martin, Principal
